

Meet Surface Go

Our lightest Surface yet is built for Firstline Workers

Transform front of house interactions

Improve customer engagements with Surface Go to optimize customer intake and check-in processes.

- Digitize traditional form processes
- Navigate naturally for ease of use
- Give the flexibility to do more by using Surface Go as a tablet or laptop

Equip your staff on the floor

Arm your customer service reps and operations staff with Surface Go so they can better help your customers and keep your essential processes going.

- Engage with customers in new ways
- Power essential software
- Impress customers and reflect your brand with sleek, modern design

Empower your team in the field

Your field teams have to be ready for anything, from simple problem solving to crisis management. With Surface Go, they'll get their jobs done.

- Get through a long day with up to 9 hours of battery life¹
- Connect your field teams and the rest of the company with LTE Advanced
- Work across a variety of environments with the durable Surface Go

about Surface for business
microsoft.com/en-us/surface/business

1. Up to 9 hours of battery life local video playback. Testing conducted by Microsoft in June 2018 using preproduction Intel Pentium Gold 4415Y Processor, 128GB, 8GB RAM device. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.

2. Weight not including Type Cover (sold separately).

3. System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB=1 billion bytes. See Surface.com/Storage for more details.

4. Learn more here: <https://support.microsoft.com/en-us/help/4020089/windows-10-in-s-mode-faq>.

5. Service availability and performance subject to service provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at Surface.com.
